Chicago, IL – Lutheran Federal Credit Union (LutheranFCU), a credit union serving the greater Lutheran Church-Missouri Synod community, and Polaris Portfolios, a digital wealth management firm, are excited to introduce Polaris Digital Advisor to members of LutheranFCU. With Polaris Digital Advisor, members of LutheranFCU can open an advised investment account directly from their computer, phone, or any mobile device.

Members who open an account receive:

- A diversified portfolio
- Professional investment management
- Access to Polaris Portfolios Financial Advisors
- Tools to track performance, portfolio analytics, and financial goals
Rev. Ken Krueger, CEO of LutheranFCU: “As a nationwide credit union, we are committed to providing access to services that meet the financial needs of our members. Providing a link to the Polaris Digital Advisor enables our members to utilize wealth management services that they otherwise may not be able to obtain.”

Evan Kulak, Co-founder of Polaris Portfolios: “We are excited to begin working with LutheranFCU’s members. We are pleased to work with a forward thinking credit union that understands its members are expecting better technology and access to wealth services. Ken and his team were beyond helpful in the rollout of Polaris Digital Advisor”

LutheranFCU is one of the first credit unions in the country to provide direct access to digital wealth services to its member base.

About Lutheran Federal Credit Union:
Lutheran Federal Credit Union is an exceptional provider of financial solutions and products to members of LCMS congregations and affiliated ministries. They capitalize on the common bond of the LCMS to provide greater awareness of individual and organizational financial management from a Christian perspective. They do this by exemplifying Biblical principles; employing talented, accessible, member-focused staff; and utilizing technology and services that result in a superior customer experience.
